Don't let your plumbing career go to waste

Complete the Commission and Maintain Backflow Prevention Devices short course at TAFE Queensland East Coast. This post-trade program is designed for licensed plumbers that need an endorsement to their existing plumbing licences required by law. This endorsement then allows them to legally test and maintain backflow prevention devices within the State of Queensland.

Enrol today to secure your spot in this course.

HOW TO ENROL

Recognition of prior learning
Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
