Hello there, our dream is to help you make great happen.

Put your future in focus

The apprentice will generally be involved in the production, manufacture and repair of a wide range of light metal products, including ducts for air-conditioning, hospital & catering equipment, office furniture, refrigeration cabinets, tanks, vats and pipes using thin, flat sheets of metal. The metal sheets are mainly of zinc-covered steel, stainless steel, vinyl covered steel, copper and aluminium and usually are not more than 3mm thick. Apprentices involved in this type of work would work in an enclosed & well-equipped workshop, use specialist measuring equipment and...

Location/S

Bundaberg, Gympie, Hervey Bay, Nambour

Duration

Workplace/TAFE: Varies

Entry requirements

Apprenticeships and traineeships combine both structured and workplace training with paid...

PATH TO GREAT?

Enrol today to secure your spot in this course.

HOW TO ENROL

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
