Pursue a career in sport development

Help people lead happier and healthier lives. Learn advanced skills in anatomy and physiology, corrective exercise, prevention and management of exercise related injuries, body composition management and nutrition for specific requirements. This course is for people who aspire to plan, deliver and monitor the progress of exercise programs for moderate risk clients, in conjunction with suitably qualified allied health and/or medical professionals.

Outcome
SIS50612 Diploma of Sport Development

University pathways
If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

More info:
Learn more about University Pathways

Our pathway partners include:

Job prospects
- Sports Development Officer
- Sports Coach
- Sports Centre Manager
- Small Business Owner

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you’ve gained from the workplace or previous learning means less study time for you, and getting the paper to prove you’re qualified a whole lot sooner.
