Get the right skills

Welding Certification - Theory & Practical allows a welder to meet the requirements of statutory authorities and industry demands for quality assurance. Welds are practiced, and testing is carried out, in accordance with Australian Standard 1796 for Welding Certificates 3E, 8G and 7.

Obtain your welding qualifications AS1796 (Certification level) with this course - theory and practical component. This course is primarily for people with existing engineering tradesperson qualifications.

HOW TO ENROL

Enrol now

You’re ready if you have:

- checked your important dates (under the course details tab)
- checked you meet the entry requirements (under the course details tab)
- checked your course costs and know which payment option is right for you (under the costs tab)
- Read the student rules and refund policy
- Created your Unique Student Identifier and can provide this code to TAFE Queensland

If you are applying for a subsidised cost, please ensure you have all the relevant documents at time of enrolment

All done? Then head to the link below to complete your enrolment: tafeeastcoast.edu.au/study-with-us/enrolment-fees/enrol

Enrolment options

By telephone: 1300 656 188.
In person: at any TAFE Queensland East Coast location.
Online: Full Fee paying students can enrol online
