Kick start a rewarding career!

Do you want to keep pace with constantly changing information and communication technology? The Certificate III in Information, Digital Media and Technology will improve your general knowledge of computers, software applications, web technologies, networking and software support and give you an excellent foundation for further study in the ICT field.

You can choose to specialise in one of five areas: applications, network administration, support, web technologies or multimedia depending on where your interests and career aspirations lie. Upon completion of this...more online

All done? Then head to the link below to complete your enrolment:
tafeeastcoast.edu.au/study-with-us/enrolment-fees/enrol

Enrolment options

By telephone: 1300 656 188.
In person: at any TAFE Queensland East Coast location.
Online: Full Fee paying students can enrol online

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you’ve gained from the workplace or previous learning means less study time for you, and getting the paper to prove you’re qualified a whole lot sooner.
