Logging in

my.TAFE is an online learning management system, where you can access your study material, assessments and communicate with your teacher.

To commence your studies, follow these steps in order to log in to my.TAFE.

2. Enter your student ID number in the ‘Username’ field.
3. If you are a new student: Enter the password you chose following the instructions that were emailed to you when you enrolled.

If you are experiencing problems or see an error indicating you do not have an account, contact Customer Care on 1300 656 188.

To help get you started with the log in and use of my.TAFE, face to face support is available Monday to Friday from our staff in the Research and Information Centre or Library.

Password management

To change your password

1. Click on the Student Self Service link on the my.TAFE login screen (or log in to the Student Self Service website enrol.tafe.qld.gov.au) and follow the prompts for Changing password.
2. Then log into my.tafe.qld.gov.au to access your course, by entering your student number in the ‘Username’ field and your new password in the ‘Password’ field.

Note: Passwords expire every 60 days for security purposes. You will need to change your password before it expires.

To retrieve forgotten password

1. Click on the Student Self Service link on the my.TAFE login screen (or log in to the Student Self Service website enrol.tafe.qld.gov.au) and follow the prompts for Forgotten Password.
2. Enter your details and you will be sent an email with a new temporary password. Use this to log back into Student Self Service and change your password.
3. Use the newly changed password to log into your course on my.tafe.qld.gov.au.

Note: All emails from my.TAFE and our enrolment system will be sent to the email address you gave to the TAFE Queensland Region upon enrolment. It is your responsibility to inform Customer Care staff when you change your email address.

You can contact Customer Care staff via phone 1300 656 188 or email eastcoast.information@tafe.qld.edu.au
