Hello, our dream is to help you make great happen.

Make a difference
East Coast TAFE will enable you to support and teach non-English speaking clients in the Adult Migrant English Program (AMEP). The new TAFE Volunteer Tutor Training course (TVTT) is an online training course that will give you the skills and knowledge needed to tutor clients from a non-English speaking background.

This fully funded program is available for anyone looking to develop some new skills while supporting migrants and refugees with their English language learning to help with their transition to life in Australia.
