Form your career with TAFE

Learning to become a solid plaster shouldn’t be hard. Experienced professionals will show you how to apply plain, decorative and protective coverings of plaster, cement or similar materials to the interiors and exteriors of structures. You’ll learn to use solid plastering tools and equipment; apply float and render to straight and curved surfaces; install cast plaster and paper-faced cornice; and apply troweled texture coat finishes.

Solid plasterers may perform tasks including plumbing and straightening corners; angles and wall and ceiling surfaces; cleaning and preparing...
