Give yourself the skills to succeed

This qualification covers the skills and knowledge required to perform a range of skills at trade-level for those working in furniture making and those involved in the manufacture and installation of fitted furniture typically in a kitchen, bathroom and related context. Installation skills may be applied to new or renovation work. The work is in a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, where some discretion and judgement is required in the selection of equipment, services...

Important Information

RPL (Recognition of Prior Learning)

Fast-track your way to a formal qualification by earning credit for the things you already know. Ongoing recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
