Design your dream career
This 6 month course is an introduction to the fashion industry. You will learn sewing, pattern making and garment design. Full training is provided in a simulated workroom using industrial sewing machines and cutting edge equipment so no previous sewing and/or design skills are required.
Sunshine Plaza has also provided TAFE Queensland East Coast students with the opportunity to run a pop-up shop on the first weekend of every month. This is an excellent opportunity to showcase and sell your creations and gain valuable retail experience.
