Engineer your future

Apprentices undertaking this role will be involved in the fabrication, welding, forging, structural steel erection, sheetmetal working, metal finishing, pattern making, moulding, and the use of related computer controlled equipment using metals, plastics, carbon fibre, composite materials, ceramics and other materials. This traineeship is designed for a general fabrication tradesperson, there are specific apprenticeship programs for the traditional trade areas of boilermaking, sheetmetal working, patternmaking, surface finishing, welding, and casting and moulding.

LOCATION/S
Bundaberg, Gympie, Hervey Bay

DURATION
Workplace/TAFE: Varies

Entry requirements
Apprentices and trainees complete a qualification, learning skills at work and under the supervision of a supervisor. For more information about the costs associated with undertaking an apprenticeship, please give us a call.

Resources required
No specific resources are required to successfully complete this course. It is recommended that students have access to a reliable internet connection to participate online.

WHAT ARE MY PAYMENT OPTIONS?
No matter what your circumstances, TAFE Queensland East Coast has a payment option to suit you. If you are unsure of what's right for you, call us on 1300 656 188. We're here to help.

Are you ready to take the next step on your path to great?

Enrol today to secure your spot in this course.

How to enrol
Recognition of prior learning
Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
