HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Engineer your future
Apprentices may undertake a range of tasks including the design, assembly, manufacture, installation, modification, testing fault finding, commissioning, maintenance and service of all mechanical equipment, machinery, fluid power systems, diesel fitting, instruments, refrigeration/air conditioning and the use of related computer controlled equipment, i.e: programmable logic controllers (P.L.C’s), computer controlled equipment & computer numeric controlled machine tools etc. This apprenticeship program is designed for a general occupational outcome. There are however specific programs ...

LOCATION/S
- Bundaberg, Hervey Bay

DURATION
- Workplace/TAFE: Varies

Entry requirements
Apprentices and trainees complete a qualification, learning skills at work and under the ...

Resources required
No specific resources are required to successfully complete this course. It is recommended that students have access to a reliable internet connection to ...

What are my payment options?
For more information about the costs associated with undertaking an apprenticeship, please give us a call.

Outcome
MEM30205 Certificate III in Engineering - Mechanical Trade - Apprenticeship

Job prospects
- Fitter And Turner
- Machinist

Units
- MEM13014A: Apply principles of occupational health and safety in the work environment (Core)
- MEM15002A: Apply quality procedures (Core)
- MEM15002A: Apply quality systems (Core)
- MEM17003A: Assist in the provision of on the job training (Core)
- MEM16008A: Interact with computing technology (Core)
- MEM16007A: Organise and communicate information (Core)
- MSAENV272B: Participate in environmentally sustainable work practices (Core)

ARE YOU READY TO TAKE THE NEXT STEP ON YOUR PATH TO GREAT?
Enrol today to secure your spot in this course.

HOW TO ENROL
Recognition of prior learning
Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you’ve gained from the workplace or previous learning means less study time for you, and getting the paper to prove you’re qualified a whole lot sooner.
