Hello there, our dream is to help you make great happen

Has a career as an electrician sparked your interest?
This prevocational course in electrotechnology at TAFE Queensland East Coast is recommended as a pre-apprenticeship pathway to a full electrotechnology trade qualification in the fields of electrical or refrigeration and airconditioning. You’ll gain practical experience in a hands-on training environment where you’ll learn from a tradesperson working in the industry. The Certificate II in Electrotechnology is a pre-vocational program aimed at preparing students for an electrotechnology apprenticeship.
