

# bksb initial assessment instruction guide

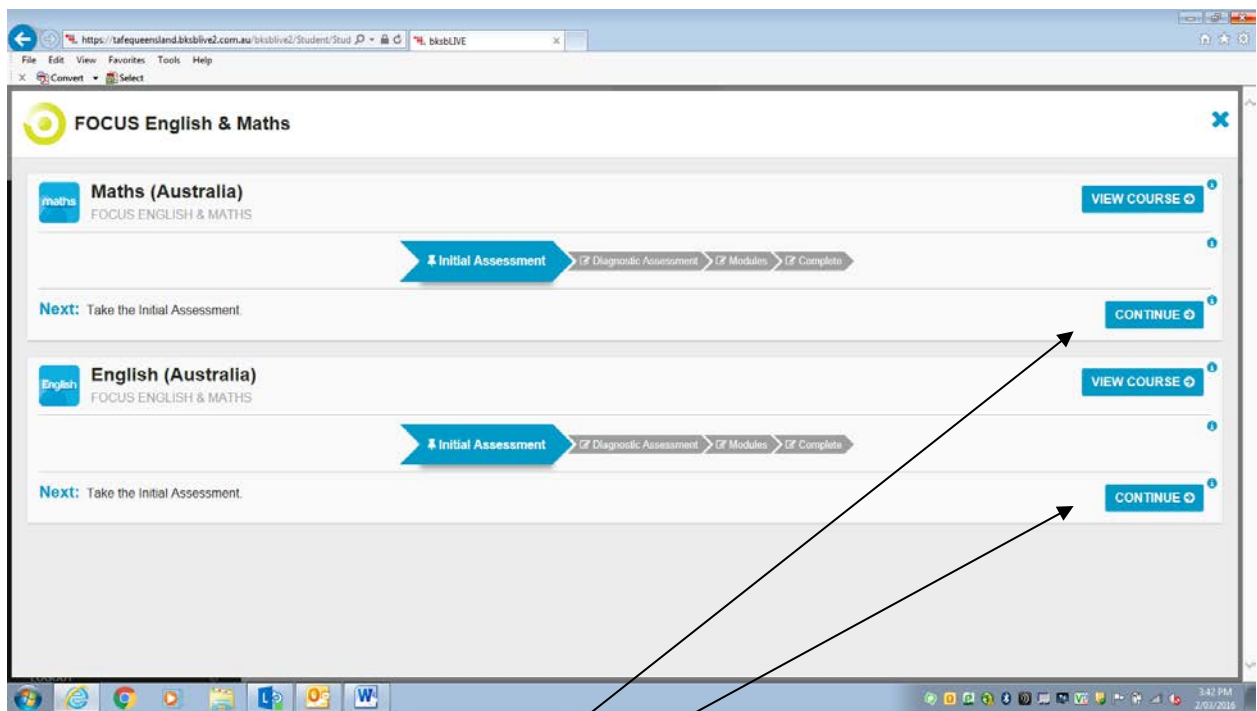

1. Click on the link to see the bksbLIVE 2 login page.

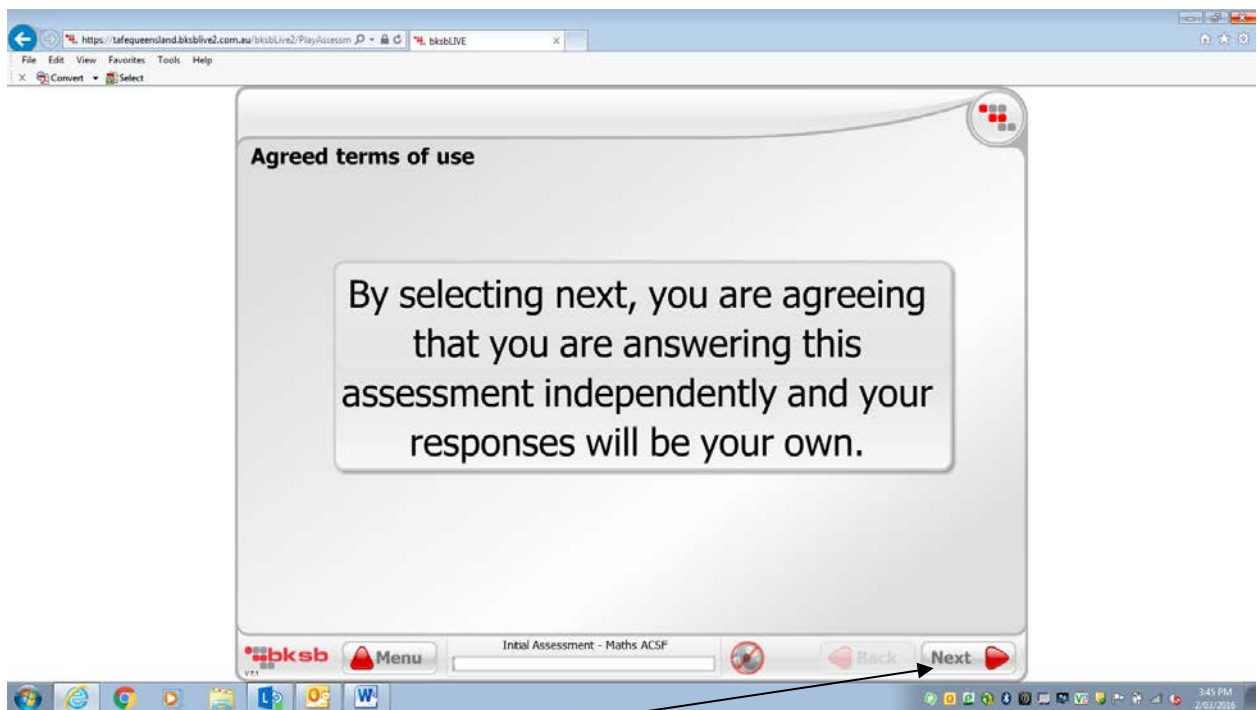

2. Log in using your user name and password. Your username will be your student number and your password will be **password**.
3. You will be taken to your course home page which will look like this:

4. Under the heading FOCUS English & Maths, click on the 'View Courses' button.

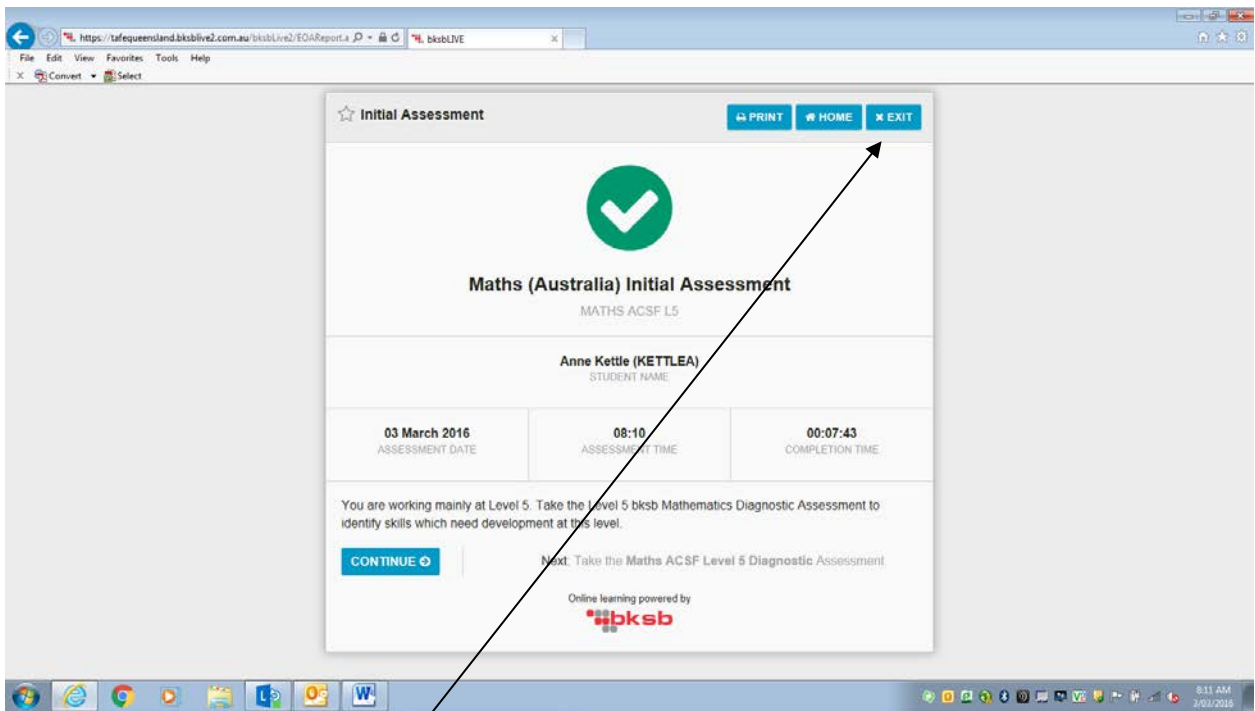

5. On this page you will see 'Initial Assessment' highlighted in blue under both the Maths (Australia) and English (Australia) headings.
6. Click on the blue 'continue' button on the right hand side of the page. You can choose to do either Maths or English first, but you must take both initial assessments.
7. After clicking 'continue', this screen will appear:

8. After clicking 'next' answer each of the questions that appear on your screen until the end of your initial assessment.
9. Once you have completed your initial assessment you will see a screen that tells you what your results are

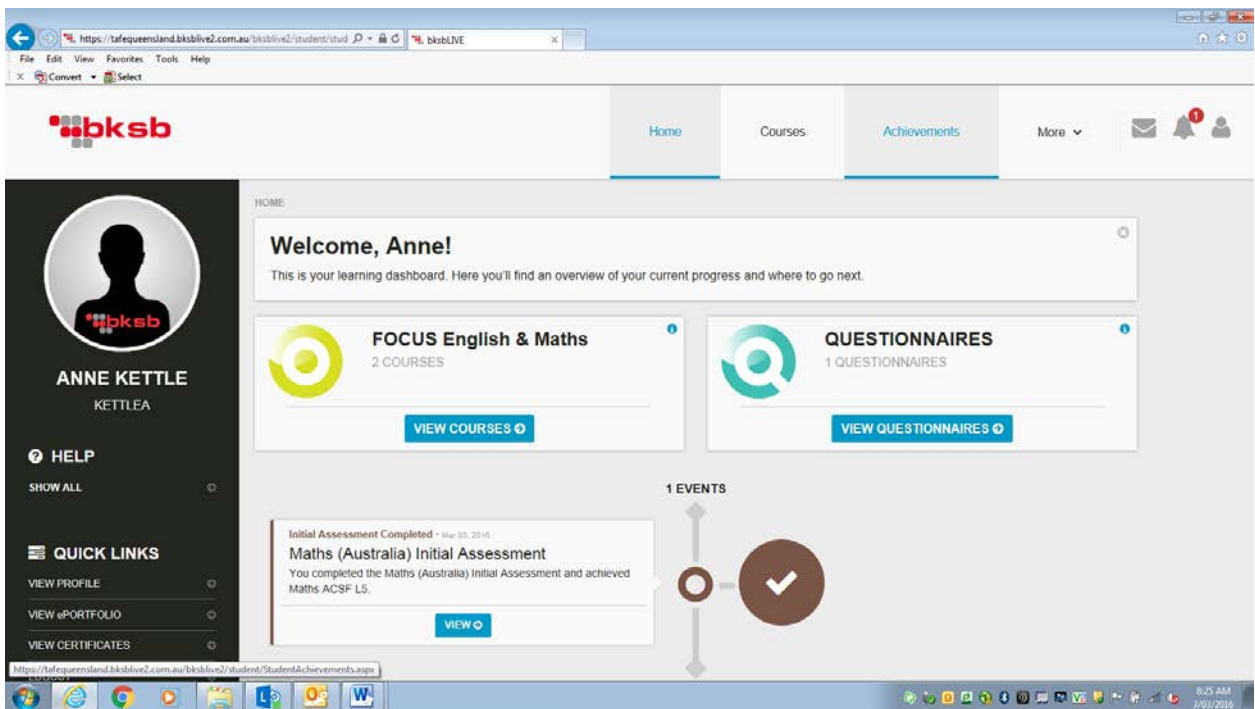

10. Once you see this screen push the results button with the green arrow next to you.
11. Your results will be displayed on screen and will look like the image below:

**DO NOT** push the 'continue' button as this will take you to the diagnostic test.

12. Click on the blue 'exit' button in the top right hand corner. This will take you back to your home page which will look like this:

From here you can navigate yourself back into the FOCUS English & Maths by clicking the 'View Courses' button and then undertake the other Initial Assessment you have left to complete. **Remember** you need to complete an Initial Assessment for **both the English and Maths** component.
